

The RP-112AM leverages more than 15 years of REPEAT speaker innovation to deliver superior frequency response, sound pressure levels and sheer power. The RP-112AM is a 2-way powered loudspeaker with a 12-inch woofer and a 1.75-inch HF driver in a space saving coaxial configuration, perfect for use as a floor monitor. Combining a 2000W amplifier and high performance DSP with the same plywood construction found on REPEAT high-end Series, the RP-112AM offers best-in-class sound quality and durability.

Key Features:-

Model Name	RP-112AM
Amplifier	Class-D
Frequency Range (-10dB)	50Hz – 18kHz
Max SPL	132dB
Output Power	2000w Peak/ 500w RMS
HF	1.75" titanium
LF	12" cone 3" VC 60oz
Inputs	XLR&6.35mm combo 3.5mm AUX
Output	XLR
Weight	23kg
Dimension (WxDxH)	38.5×38.5×63cm

**Features:**

- * **MULTIFUNCTIONAL AMPLIFIER** : Equipped with a Class D digital amplifier, this product offers multifunctionality for seamless audio pairing.
- * **COAXIAL SPEAKER** : Coaxial speakers ensure unified sound sources, natural audio blending, consistent coverage, reduced phase interference, and compact, versatile design.
- * **CLASS D AMPLIFIER** : Delivers robust audi performance with a high-power DSP-enhanced Class D amplifier, ensuring exceptional sound quality for performances of all sizes.
- * **OPTIMIZED FREQUENCY RESPONSE** : With a frequency response of 50Hz-20kHz, it delivers a wider audio range to cover more frequencies effectively.
- * **VERSATILE INSTALL ATION OPTIONS** : The unique design allows the product to adapt to a wider range of environments.

What's in the Box :-

- 1 x Speaker
- 1 x Quick Start Guide
- 1 x Power Cord
